

# COMPANY PROFILE

## WHY TW WOODS?

### BECAUSE WE GET IT.

**End-to-End Expertise:** Design, fabricate, finish, and deliver, all in-house.

**Proven Reliability:** Six decades of on-time, on-budget delivery across critical industries.

**Complex Challenges? We Can Do That.** From intricate designs to high-stakes deadlines, we solve problems others won't touch.

**Multi-Sector Mastery** Expertise spanning mining, defence, renewables, marine construction, and bulk storage.

**Australian-Owned, Family-Led** We've built long-standing relationships, treating every project like it's personal.

## OUR PRODUCTS & SERVICES

- ✓ Medium to Heavy Steel Fabrication
- ✓ Plate Rolling & Pressing to 100mm Thick Plate
- ✓ Specialised Plate Development, Pressing, Rolling and Forming of transitions, cones, reducers, chutes, hoppers & lobster back bends
- ✓ Fabrication of Cylindrical Piles, Tanks & Bins
- ✓ Design of chutes, mechanical handling plant & pressure vessels
- ✓ Specialised fabrication & welding in carbon steel, stainless steel and aluminium
- ✓ Mechanical Manufacturing
- ✓ Materials Handling Equipment
- ✓ Cad Cam Plasma Cutting
- ✓ Machinery Overhauls & Maintenance
- ✓ Suppliers & Fabricators of wear & impact resistant plate. Arcoplate CCO Chromium carbide clad plate, Stainless Steel, Quench & Tempered plate
- ✓ Industrial Painting
- ✓ Abrasive Blasting
- ✓ Site Installation (Maintenance & Turnkey)

MORE INFO 

# WORKSHOP CAPABILITIES

## TOMAGO FACILITY:

<b>Yard Area</b>	<b>2 Hectares</b>
<b>Waterfront</b>	<b>Deep 120m Wide Hunter River Frontage</b>
<b>Workshop</b>	<b>4630 Sqm</b>
<b>Yard Cranes</b>	<b>1 x 5T Articulated Crane</b> <b>2 x 12T Articulated Cranes</b>
<b>Forklifts</b>	<b>4 x Forklifts 5T - 8T</b>

## FABRICATION SHOP MACHINERY

### 8 x 10T Gantry Cranes

1 x 1000T Vertical Roll	3200mm Long or 150mm Thick Plate
1 x 600T Vertical Roll	3100mm long or 100mm Thick Plate
1 x 400T Vertical Roll	2800mm Long or 50mm Thick Plate
1 x Horizontal Pyramid Rolls	2.4mm x 12mm Plate Capacity
1 x Initial Pinch Pyramid Rolls	2.4mm x 12mm Plate Capacity
2 x 250T Brake Press	3100mm capacity
3 x 300T Brake Presses	3100mm, 5500mm and 600mm Capacity
1 x Section Rolling Machine	100mm x 100mm x 10mm Angles
1 x Cad-Cam Profile Cutting Machine	4m Wide x 15m Long, 300 Amp High Def Plasma & Oxy Acetylene

## MACHINE SHOP

Lathe, Vertical Mill & Radial Drill

Assembly Press 200T x 1.2m Diameter x 5m Long

## WELDING

Stud Welding to 24mm Diameter Studs

Welding Positioners & Rotators

Plasma Cutters x 150 Amp Thick

Milling type plate bevelling machine

Sub Arc Welder Booms 4m high x 4m travel x 8m long x 1000 amp

## ABRASIVE BLASTING & INDUSTRIAL PAINTING

Abrasive Blast Chamber 1	30m x 20m x 10m High
Abrasive Blast Chamber 2	8.5m x 12m x 9m High
Paint Booth	40m x 18m x 10m High c.w 10T Overhead Crane
Spray Booth/Bake Oven	6m x 12m x 5m High c.w 4T Overhead Crane Climate controlled up to 65 degrees celsius
Abrasive Blaster Units	5
Airless Spray Units	4
Electro-Static Spray	2

## COMPANY CONTACTS

### Thomas Woods

Director  
0427 582 022

### Glenn Woods

Director  
0429 648 300

### Jamie Woods

General Manager  
0423 908 948

### Nathan Donnan

Estimator
