HUNTER ENGINEERING SALES

**SPECIALISTS IN ELECTRICAL
EQUIPMENT SOLUTIONS**

MINING – PORTS & MARITIME – RAIL – FOOD, BEVERAGE & PHARMACEUTICAL – SWITCHBOARD – CRANE TECHNOLOGY

OUR PRODUCT RANGE

GESSMANN JOYSTICK CONTROLLERS

CABLE MARKING SYSTEMS

CABLE GLANDS AND CLEATS

PROCESS AND FACTORY AUTOMATION

ENERGY DRAG CHAIN

TERMINALS AND ACCESSORIES

SWITCHES AND FUSES

FRAS (FIRE RETARDANT ANTI-STATIC) HOSE

HAZARDOUS AREA EQUIPMENT

RADIO CONTROLS

POWER SUPPLIES, UPS, SURGE PROTECTION

CONDUCTOR BAR SYSTEMS INCLUDING TRACKING AND LOCATION SYSTEMS

MINING AND INDUSTRIAL CABLES

FLEXIBLE CONDUIT AND ACCESSORIES

CABLE REELS

ELECTRICAL CONSUMABLES AND TERMINATIONS

TESTING AND MEASUREMENT

ELECTRICAL ENCLOSURES

SAFETY RELAYS AND E-STOPS

BUFFERS

FESTOON/CATENARY SYSTEMS

LIMIT SWITCHES, MICRO SWITCHES, PLUG IN RELAYS

TRUSTED BRANDS, UNRIVALLED QUALITY, AND COMMITMENT TO EXCEPTIONAL SERVICE.

OUR SPECIALIST INDUSTRIES

MINING

Hunter Engineering Sales distributes, stocks and supplies a range of Group I hazardous area equipment and Industrial electrical materials for mining operations, overhaul workshops and mining OEM's. We can provide engineering support, programming and document certification to support the products we sell.

PORTS & MARITIME

Hunter Engineering Sales is the Australian & New Zealand Distributor for Gessmann Joystick Controllers. Stocking and distributing Conductor Rails, Cable Reels, Catenary Systems, Cable Chains and specialised cables. Additionally we can supply all your final terminations, cable management, cleats, consumables and specified products to service the Ports and Maritime industry.

RAIL INDUSTRY

Whether it is a new build or scheduled maintenance, Hunter Engineering Sales provide a wide variety of Instrumentation, sensing, monitoring and control systems. Additionally we can supply all your final terminations, cable management, cleats, consumables and specified products to service the rail industry.

FOOD, BEVERAGE & PHARMACEUTICAL

Protection of people and plant is crucial. In the Food, Beverage and Pharmaceutical Industries, Hunter Engineering Sales can provide a range of sensing, monitoring and control systems. We can offer safety audits, process & factory automation, fluid control, and hazardous area equipment. Additionally we can supply all your final terminations, cable management, consumables and specified products to service these industries.

SWITCHBOARD MANUFACTURERS

Hunter Engineering Sales have a large range of stock to support all switchboard manufacturers. We can supply all your final terminations, cable management, power supplies, consumables and specified products.

CRANE TECHNOLOGY & CONTROL

Working in partnership with Nilian, HES brings intelligent energy, positioning and data transmission systems, designed for mobile applications. Supplying trusted brands of Vahle, Brevetti, Saga & Metavulk. HES can help with Festoon/ Catenary systems, Conductor bar systems, Buffers, Cable chains, Radio controls and Cable reels.
