

## DOORUNGA PTY LTD

Indigenous-owned and controlled • Supply Nation Certified • ISO 9001 / 14001 / 45001 accredited

### COMPANY OVERVIEW

Doorunga Pty Ltd is an Indigenous-owned and controlled organisation **certified by Supply Nation**. We are dedicated to providing sustainable land management and environmental services across New South Wales.

Established in 2021 and based in the Hunter region, our vision is to be a leader in sustainable land management and environmental work on Country, creating meaningful employment and career pathways for Indigenous Australians, preserving cultural heritage and inspiring sustainable practices.

**Web:** www.doorunga.com.au

### CAPABILITIES

*What we do — aligned to project work packages*

- Bush regeneration — weed management, revegetation, environmental surveys
- Grounds maintenance — programmed commercial lawns and land management
- Bushfire — bushfire mitigation, APZ management, fuel load assessments, cool burns
- Civil — forest mulching, fire trail maintenance, road and drainage works
- Scalable workforce with surge capacity via our established subcontractor and equipment/partner network (Australian Facilities Landscapes)
- Full value chain coverage - planning and survey (ArcGIS), delivery, monitoring and ongoing maintenance

### KEY CUSTOMERS & PROJECTS

*Track record — who we have delivered for*

- BGIS & Department of Defence - Land management services across NSW Defence estate: bush regeneration, weed management, grounds maintenance, bushfire mitigation and civil works. \$1.5M+ per annum.
- Hunter Water - Grounds maintenance, environmental projects and solar panel cleaning across 104 sites in the greater Newcastle region. \$2.6M+ over 8 years.
- Glencore Mining Pty Ltd (Bulga) - Weed management and bush regeneration on Biodiversity Offset Site and mine rehabilitation areas. \$250K per annum.
- Active project delivery across multiple NSW regions including Liverpool, Williamtown, Singleton, Bulga and Marrangaroo (live weed management dashboards published to clients)

## DISCRIMINATORS

*Why us — what sets us apart from competitors*

- 100% Indigenous-owned and controlled, Supply Nation Certified - direct contribution to client IPP / RAP targets
- Triple ISO-accredited (9001 Quality, 14001 Environmental, 45001 Safety) - a standard rare among First Nations SMEs in this sector
- ArcGIS enabled planning and real time data capture. Clients receive a dedicated online dashboard and downloadable files for transparent monitoring against targets.
- Hunter based office, depot and workforce and local supply chain - reduced logistics cost, rapid mobilisation and genuine regional content
- Demonstrated social value - formal Recruitment & Retention, Mentoring, and Skills & Career Development policies for Indigenous employees, including traineeships and cross cultural mentoring  
Willing to invest in joint delivery, partnering and NRE arrangements with tier 1 contractors on renewable energy and infrastructure projects
